

REMARKS

This Supplemental Paper is supplementary to the Response filed on April 5, 2011.

The Response filed April 5, 2011, included a Declaration under 37 CFR 1.132 signed by Tsuyoshi KATAYAMA on January 21, 2011. However, that Declaration contained an error in that Mr. KATAYAMA's name was incorrectly spelled KATAOKA where it was typed under the signature line on page 4. The signature itself was correct, and Mr. KATAYAMA's name was correctly spelled on page 1 of the Declaration.

To correct this error, Applicant here submits a corrected Declaration, signed by Mr. KATAYAMA on June 10, 2011. The content of this corrected Declaration is identical to the previously filed Declaration, with the only difference being that Mr. KATAYAMA's name is now spelled correctly below the signature line on page 4.

Consideration of the arguments in the Response filed April 5, 2011, is respectfully requested.

If, for any reason, it is felt that this application is not now in condition for allowance, the Examiner is requested to contact the Applicants' undersigned agent at the telephone number indicated below to arrange for an interview to expedite the disposition of this case.

U.S. Patent Application Serial No.: **10/593,347**
Supplemental Paper filed June 15, 2011
Reply to OA dated January 10, 2011

In the event that this paper is not timely filed, the Applicants respectfully petition for an appropriate extension of time. Please charge any fees for such an extension of time and any other fees which may be due with respect to this paper, to Deposit Account No. 01-2340.

Respectfully submitted,
